## Who this is for

A home-service business that receives paid leads through Angi.

## Common situations

- Angi leads
- Home services
- Quote follow-up

## What you get

- Lead response templates
- Follow-up sequence
- Service and quote explanation language
- Missed-lead recovery messages
- Simple lead-tracking sheet

## Results

- Clearer materials for the task at hand
- A faster way to handle repeated work
- A practical next step after delivery

## Why people choose this package

- Built around the information you provide
- Written for direct use in the business
- Delivered with simple instructions for what to do next

### CLIENT FEEDBACK

The package turned scattered information into something we could use right away.

Business Owner · Small Business

The business received clear materials and a practical next step.

## Package terms

- Send the current notes, examples, links, or screenshots before work starts
- One focused business task is included
- Larger scopes can move into a custom engagement
