Who this is for

A service business, shop, or support team that gets the same questions from customers.

Common situations

- Website FAQs
- Support replies
- Team answer guides

What you get

- Review of up to 15 common customer questions
- Clear FAQ answers for your website
- Short response snippets for email or chat
- Prompt guidance for creating new answers later

Results

- Clearer answers for common customer questions
- Less time spent rewriting the same response
- A useful starting point for website or support updates

Why people choose this package

- Built from the questions customers already ask
- Works for websites, inboxes, and support notes
- Easy to update as new questions come in

CLIENT FEEDBACK

The FAQ pack gave us clear answers we could use on the website and in customer replies.

Operations Manager · Customer-Facing Business

The team had a shared answer bank for common questions.

Package terms

- Send your common questions before work starts
- Up to 15 questions are included
- Product, service, policy, and pricing questions all work well
